

Riding Lessons at The Red Barn

I am going to a riding lesson at The Red Barn.

The first thing I will do at the barn is wash my hands. We have a new outdoor sink by the pasture that I will use.

My horse will be tacked and ready for me. I will not be able to groom my horse. This is to help keep germs from spreading.

I must practice social distancing
while at the barn.

This means staying 6 feet away from
other people at all times.

I can wave to my instructor when I see
them, but I cannot hug or touch them.

I will meet my instructor at the mounting block to get on my horse. I will walk outside the barn, not through it.

While I am at the barn I will wear a face mask.

My whole team will be wearing face masks, too!
This is for everyone's safety.

Once my lesson is finished, it is time to go home. My instructor will take my horse back to the barn to untack them for me.

Now my lesson is over. Goodbye until next time!
