education and
personal development

Because of
YOU!

"She has been able to grow personally through her experience at Red Barn. She is non-verbal and autistic. She has improved on her communication skills three-fold! Her sense of responsibility has grown also. Thank you!"

"Every experience we have has a positive impact on our family. The improvement my son has made over the past 3 years is immeasurable. His communication and listening skills, his core strength and balance, and his emotional self regulation have all greatly improved."
